REGULAR MONTHLY DONATIONS

All funds for MND research come through donations from the State MND Associations and from caring individuals.

Every dollar donated for research is spent directly on research. All applications received for grant funding are reviewed by the expert MNDRA Research Committee members to ensure that the funds available go only to the best research.

Research provides hope for the future for people with motor neurone disease. Your regular donation is an investment in this future.

Monthly donations can be made either:

- by arranging a direct debit from your bank account to the MND Research Australia bank account (details below) or
- Requesting the Institute to charge your credit card monthly.

To make your monthly donation, please fill in the form below.

If you would like more information, please contact Laura Birks, Research Coordinator, on 02 8287 4989.
